To apply for the ESL add-on licensure program visit the UNCG Graduate School’s website at: https://grs.uncg.edu/ and select Apply Now

First-time users need to create an account. You can return to the application later by logging in as a returning user.
Register for an account. You will be assigned a temporary PIN. Check your email to retrieve the PIN number.

You will be asked to set your password for the account. Remember your password so you can return to the application as needed.
Click "Start New Application" and then select "Create Application" to begin the application process.

In the main menu you will see "Application in Progress" once your application is created.
Click on "Open Application" to start filling out the application.

Complete "The Personal Background" section.
For Degree Level select: "Licensure"
For Program select "English as Second Language"

Once your application has been completed and submitted please email us at enacted@uncg.edu.
